

SummerBreak Day Camp 2011

WHERE LEARNING DOESN'T STOP JUST BECAUSE SCHOOL DOES!

At King's SummerBreak Day Camp we offer eleven fun-filled weeks that encourage creative thinking and nurture imagination. A typical day at SummerBreak begins with an interactive chapel based on biblical principles with live performances, music, and guest speakers. We entertain as well as teach children about God's love. Campers enjoy leading music and also performing skits. We then move on to arts and crafts, outdoor games and various other activities. Many days, we board our own King's buses and head off for adventurous field trips exploring beaches, museums, the Seattle Center and much, much more. Other activities may include: Hawaiian luau, Mexican fiesta, country carnival, Olympic days, wheel days with bicycles and roller blades, and wild water days.
